Give them some space

So you have outdoorsy kids. Children who more than anything else want to be outside. All year round. No matter what the weather. To play sports, games, jump and mess around. And so... you're choosing artificial grass.

Why Royal Grass®?

Extremely strong

Royal Grass® is the only brand to offer artificial grass with a Vshape (just like natural grass) and a double backing, and that is unprecedentedly resilient.

Beauty that lasts

Only the best resources are being used for all of our Royal Grass® qualities. That's why they'll keep their original, natural appearance for a very long time.

Ultra soft and child-friendly

All Royal Grass® products are of premium quality: they are guaranteed to be clean, ultra soft, safe to fall on, and up to 100% recyclable.

Royal Grass® Exclusive 3.0

Since the beginning of this century, Royal Grass® has been focusing exclusively on artificial grass for landscaping. The brand has a reputation of being one of the most innovative brands in the world. Among other things, it has developed the V-shape and the revolutionary MiNT® technology. These innovations give the grass its unrivalled resilience, a natural glow and a unique softness.
